[Liberate Your Reiki!] What blog topics would you like to read about?

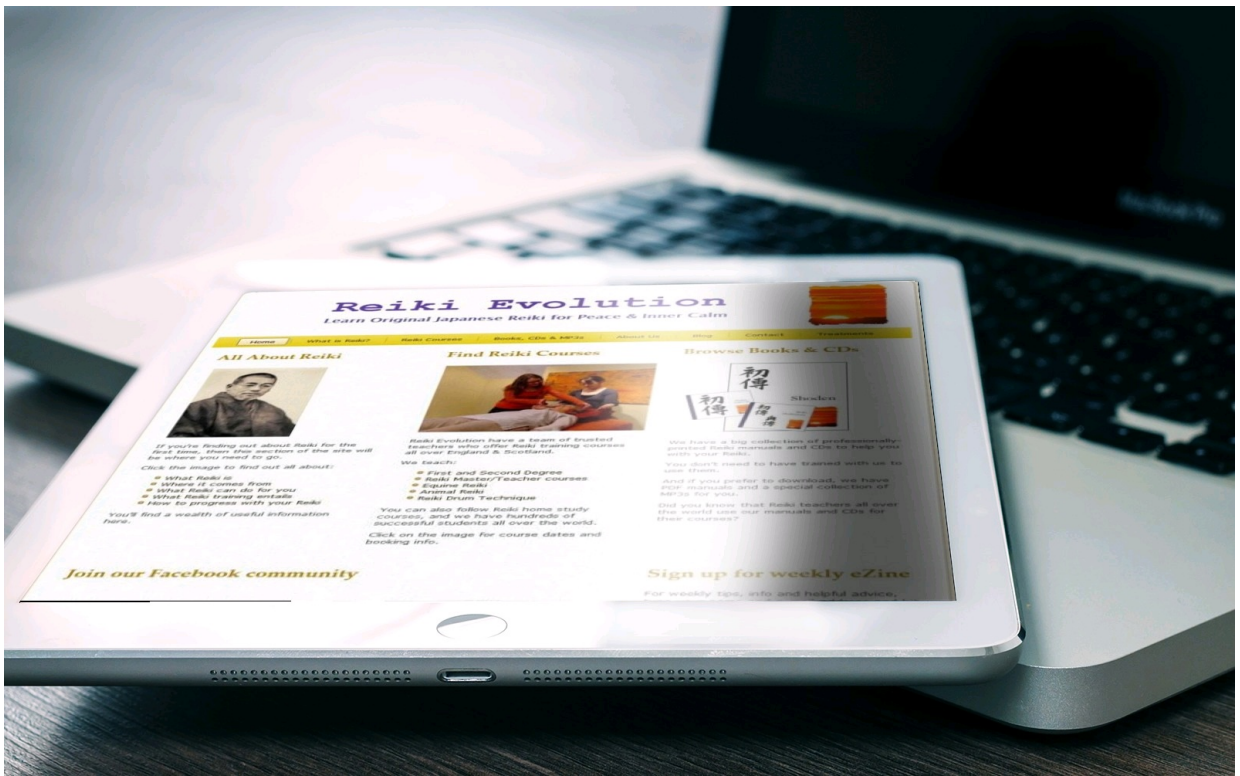

Liberate your Reiki!

January 8th 2019

The eZine for Open-minded Reiki people

What would you like me to write about? What questions do you have about Reiki?

A small request from me... Can you help me with something?

(1) Happy New Year! I hope you have a happy and healthy, prosperous and fulfilling 2019!

(2) I am thinking about writing some new Reiki blogs and I was pondering what might be the most useful or helpful things to write about, Reiki-wise.

Then it occurred to me that you were probably in the best position to know what you'd like to hear about!

So it would be very helpful to me if you could let me know what are your greatest Reiki challenges or questions or doubts or concerns in terms of:

- Treating yourself
- Working with the energy
- Treating other people
- Teaching Reiki
- Supporting your students

Just hit "reply" and send me a message straight back to let me know what you'd like me to write about that you think would help you most... and I'll see what I can do!

Many thanks,

Taggart :D
