A Home Study Course

I know that a lot of you are interested in using Reiki with horses. It's a bit of a specialist subject, isn't it? You can't always find anyone locally to guide you or teach you and it's difficult to know how to start.

Well, we have a solution, in the form of Sarah Berrisford's Equine Reiki home study course, where Sarah is on hand to guide you, one-to-one, to help you at every step, on a course that will provide you with much more hands-on practice than is possible on any sort of a live course.

You can take your time, work at your own speed, and be supported and guided by Sarah as you build your confidence in working with horses.

A Live Training Course

For those of you who are able to travel to South Lincolnshire, Sarah runs regular live [Equine Reiki courses](#) from the Epona Equine Reiki Centre where you will spend two whole days in total immersed in Equine Reiki, working with a lovely group of horses, amongst a small group of other Reiki people.

The next courses are running in April and July this year and we have a place for you.
