Become A Super-Power Reiki Master In Just 48 Hours!!!

Hi, Taggart here, from Reiki Evolution. This week, I thought I would take a bit of a detour, away from the details of running courses, creating course materials and supporting your students in different ways.

This week I thought I would share a couple of articles that really give the message: BEWARE! Beware courses that seem to promise the earth and astounding spiritual powers for no effort, and beware people who seem to have fully put on their Superman cloak and look at you with their all-knowing, all-seeing spiritual magnificence. ;)

So this week is all about avoiding snake-oil salesmen, an avoiding people who have succumbed to the lure of ego!

You can read my advice by clicking the link below:

I hope you find this article interesting and helpful.

Best wishes,

Taggart :)
