A Manifesto For Reiki Tolerance

Hi, Taggart here, from Reiki Evolution. I thought we could take a break from all the new meditations now, and finish off the week with something to think about, in the form of my "Manifesto For Reiki Tolerance".

There are very many Reiki variations in the world now, some closer to and some a lot, lot further away from what Reiki's founder, Mikao Usui, was doing. So, what are we to do about this? How are we to respond or react to other Reiki people who hold beliefs and use practices that are either very different from our own, or even directly contradict what we are doing, and think needs to be done?

You can read my advice by clicking the link below:

I hope you find this article interesting and helpful.

Best wishes,

Taggart :)
