The 10 Rules Of Reiki

Hi, Taggart here, from Reiki Evolution. Right, so next week I am going to be sharing a series of articles that relate to the practice of Reiki at First Degree, including such things as how to start a Reiki treatment, whether you need to treat both sides when you work on someone, and doing your "21 days".

This week we're in a bit of a pause before that happens, and I am going to share with you both TEN Reiki articles (!) that detail my "Ten Rules of Reiki" and also an article that shows how martial arts God Bruce Lee had something to say that is very relevant to Reiki people.

But back to my "10 Rules Of Reiki" and a small avalanche of articles for you to take a look at. I have been sharing these rules for a lot of years now, and they encapsulate the Reiki Evolution approach to working with Reiki. Follow them and you won't go too wrong. :)

You can read Rule #1 by clicking the link below, and then click through to Rule #2, Rule #3 etc using the link on each page:

I hope you find these articles interesting and helpful.

Best wishes,

Taggart :)
