Back To Basics: All About First Degree

Hi, Taggart here, from Reiki Evolution. As promised, I am going to share for the next few weeks a series of articles that loosely relate to the practice of Reiki at First Degree, but aren't just of interest to Reiki beginners... so those of you at Second Degree and Master levels don't need to tune out completely!

I am going to start with my Guide To First Degree, detailing what First Degree is all about, what you should learn, what you should know how to do at this level, an overview of what it's all about (or certainly should be!). There were quite a few "shoulds" in that sentence.

I hope you find this article interesting and helpful.

Best wishes,

Taggart :)
