How To Start A Reiki Treatment

Hi, Taggart here, from Reiki Evolution. Following on from my Guide To First Degree, I'm now going to be diving into a series of articles about different aspects of basic Reiki practice, and today I'm going to be focusing on "How To Start A Reiki Treatment".

I have put together what I have found to be a powerful and elegant way of getting things going, installing the right mindset, building the energy strongly within you and allowing the energy to flow powerfully to the recipient. A simple, intuitive and logical sequence that will become part of your routine really easily.

Try it for yourself and see how it feels.
