## Ditch The Dogma In Distant Healing

Hi, Taggart here, from Reiki Evolution. In what is the last week for a while that will deal with Distant Healing, I wanted to talk about freeing up your practice and finding your own distinctive way with the energy and Reiki's practices, rather than becoming hidebound by following narrow instructions that are not necessary or essential. And on Saturday I'd like to expand these comments to deal not just with Distant Healing but an approach to Reiki in general that allows for more common sense and less blindly following irrational rules and prohibitions.
