Are You Restricting Your Reiki?

Hi, Taggart here, from Reiki Evolution. Today marks the end of several weeks of articles about different aspects of Distant Healing; I hope you have found what I said usefull. Today, for a change of pace, really, I'm moving on to talk about an approach to Reiki in general that allows for more common sense and less blindly following irrational rules and prohibitions, and in the following weeks I am going to be mixing articles still related to Reiki Second Degree, with articles of more general application.
