## Mrs Takata Did Distant Attunements!

Hi, Taggart here, from Reiki Evolution. Welcome to part two of what I am calling "CONTROVERSY!" week! Today I am going to be talking about the revelation (to put it mildly) that Mrs Takata, founder of Western-style Reiki, "Grand Master" of Reiki according to some sections of the Reiki world, actually performed distant attunements and taught people remotely. This has been quite an excruciating discovery for those Reiki people who have a burning conviction that distant initiations do not work, and it has been interesting to see how they still try and cling onto that belief in the face of all the evidence that shows it to be untenable.

I hope you find this article interesting and helpful.

Best wishes,

Taggart :)
