## Feng Shui Your Reiki!

Hi, Taggart here, from Reiki Evolution. Having spoken a couple of days ago about the different ways in which you can steadily improve and deepen your Reiki, today I am going to talk about simplicity. As Bruce Lee said, "true refinement seeks simplicity" and this applies to Reiki as much as other things. And our Reiki can become complicated, and cluttered, hide-bound with rules and regulations and fiddly details that apparently \*have\* to be carried out, or so many things that apparently have to be avoided.

In today's article I am going to explore various areas of Reiki practice that could do with becoming more refined through simplicity.
