REIKI BOOKS GALORE ON THE AUTUMN DISCOUNT WEEKEND!

ALL DISCOUNTS COME TO AND END ON SUNDAY

EVENING AT 11pm BST

Hi, Taggart here, from Reiki Evolution.

We've arrived! [small fanfare!] It's The Autumn Discount Weekend and, to get things started, today I have put together for you a big bundle of Reiki books to help you with your Reiki journey.

And had you thought that a Reiki book would be an ideal Christmas gift for a Reiki friend of yours?! [or a secret treat just for you?!]

You will have noticed that my ezine has a byline of "the ezine for open-minded Reiki people" and if you are open-minded then I think you will love these books.

They are packed with exercises, ideas, techniques and practices that you can take away and experiment with, and see what's possible for you, what you can do intuitively, what you can do with Reiki.

And they are greatly reduced in price when compared with normal: reduced by over 30% in fact!.

And this weekend also includes a new Reiki resource for you: The Reiki Reflective Journal.

So take a few moments to hop over to the special page I put together for you, and see what you like the look of there.
