Reiki Treatments & Winning The Lottery!

Hi, Taggart here, from Reiki Evolution. Sometimes I am asked by my students about things that happen to a client after they have had a Reiki treatment. The questions are usually framed in terms of:

“After the treatment, this happened... is that the Reiki?”

“I gave someone a treatment and the next week x happened... was that the Reiki?”

Sometimes my response is [shrugs shoulders]... maybe, or “who knows”... sometimes I will say “probably” or “could be”.

And that’s about as far as I can go because (1) I don’t have a crystal ball and (2) not everything that happens to a person after they have had a Reiki treatment, or been on a Reiki course, is a result of the Reiki that they received or were initiated into.

It's all about cause and effect
