Specialist Reiki Courses to Enhance Your Journey

Hiya,

I have something very special for you for 2024: a whole collection of special and specialist Reiki courses to help you take your practice to the next level. Some are suitable for people at First Degree (Animal & Equine Reiki) and the rest are suitable for people at Second Degree or above.

The live courses are being held in Lincolnshire, Somerset, Essex and Bedfordshire, and some also have home study options, so you can train with your chosen teacher no matter where you are in the world!

Courses begin later this month (Shamanic Reiki in Glastonbury) and you'll find other courses in different places right through to the Autumn.

Something for everyone

We have:

- Equine & Animal Reiki in Lincolnshire
- Shamanic Reiki in Glastonbury
- Five Element Reiki in Essex
- Reiki Drum in Bedfordshire and Essex

So over the next few days I am going to be flagging up different ways in which you can delve into the wonders of Reiki and make 2024 the year when you really moved your practice on, explored and discovered what's possible using this wonderful energy we all work with.

Best regards,

Taggart :)

The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
