Tell Me What You Want ... [what you really, really want!](#)

Hiya,

If you are of a certain age, you should have an image of The Spice Girls in your head right now.

So, why have I done this?

Well, this time of year is usually a period where I take a break from sending out ezines and blogs, and ponder what would be the best way to provide you with something that is useful to you, that has some value.

And it occurred to me that I could just ask you! :D

So, here are some questions for you:

- What's your biggest challenge when it comes to practising Reiki?
- What are you puzzled about or confused about?
- What would you like to hear more about?
- What do you need help with, Reiki-wise?
- Do you need some advice about some Reiki-related thing? Please explain.

Just hit "reply" to this e-mail, and let me know what you would like to hear more about, or what question you have, and I'll see what I can do over the coming weeks and months.

Hit "reply" now. :)

Taggart ;)
