It's Wednesday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article "How Can Reiki Symbols Unlock Such Power?"

Hiya,

The other day a Reiki person mentioned to me that when people use symbols in Reiki, it just seems ridiculous that they can unlock all this power, and she was a bit embarrassed by it all. It seemed to her to be a bit like “Open Sesame!” or “abracadabra”: just foolish and ridiculous that flailing your fingers in the air could create all this cosmic power.

And it does seem strange, doesn't it? A bit like wizards and incantations and ancient, mysterious, closely-guarded, power-imbued sigils that initiates can use to control and direct natural forces, in our case for good.

So, how can symbols unlock such power?

They can't.

So, that's all from me for today.
