It's Monday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article "What Does It All Mean?"

Hiya,

When we treat someone, and when we receive a Reiki treatment, for that matter, we are going to notice different things. There will be physical sensations, maybe images or colours, there may be emotions or states of mind that arise while we treat or receive a treatment.

And it's natural to wonder what all these sensations mean. Why do I have that sensation? Why am I seeing that colour? What does this change in sensation mean? Should I be worried about that feeling I'm getting?

If only there was some guidebook that I could go to, look down a list, and find out what it all means.

Well, Reiki doesn't really work that way, but I hope below to say some things that will be helpful and reassuring to you.

So, that's all from me for today.

Take care,

The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
