It's Wednesday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article "The 10 Rules Of Reiki"

Hiya,

Some simple guidelines for getting the most out of your Reiki

In this article I thought I would set down ten things that you can do – ten principles to take account of – to benefit your practice of Reiki.

This is not something that has come from Japan, or from early practitioners of Reiki: it is just something that I have put together myself.

I hope that this article will be of interest to people at all Reiki levels: **The 10 Rules of Reiki**

So, that's all from me for today.

Take care,

Taggart

The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
