It's Monday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article ["Do I always have to use the symbols?"](#)

Hiya,

So many Reiki rules!

In most Reiki lineages the Reiki symbols are taught on the Second Degree course, though some are taught one symbol at First Degree I believe.

A lot of rules have built up about what you can and can't do with symbols, what you always must do, and of course these rules end up being contradictory.

The only rule that applies to Reiki is 'there are no rules' I believe, and what I'd like to do here is just run through a few 'symbol rules' that you can choose to ignore.

So, that's all from me for today.

Take care,

Taggart

The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
