It's Monday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

Distant healing is a very important part of Reiki practice, of course, and is something that is not unique to Reiki. Distant healing (DH for short) is carried out in different Reiki lineages in different ways and there is no one 'right' way to perform this process. The important thing when carrying out DH is your underlying intent, and the details of the ritual that you use are unimportant.

The Reiki Symbol Masterclass: Unconventional Approaches to Symbol Mastery

This is a small book but if you work through the exercises and meditations contained within it, you will gain a deep, deep understanding of the use of symbols within Reiki and you will have learned things that are not taught on the vast majority of Reiki courses. What you have here is a complete and unique approach, a powerful, freeing and inspiring system for using, creating and experiencing the energies.
