It's Monday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article "[Create Your Own Bespoke Reiki Symbols](#)"

Hiya,

[Create symbols tailor made for you](#)

I have written several articles dealing with Reiki symbols and how you don't need to be attuned to a symbol for it to 'work' for you, and that *any* symbol will frame the energy when you focus your attention on it or meditate on it.

It might be useful if you quickly re-visit these posts because they will help with this article:

- [Some heresy about Reiki symbols](#)
- [Let's explore some non-Reiki symbols](#)

So wouldn't it be great if it was possible for you to create a symbol that framed the energy in just the 'perfect' way for you, now, this day?

Wouldn't it be something if you could use a symbol that gives you just what you need in this moment, in a powerful and profound way, framing the energy in *just* the way that you need, focused like a laser-beam?

Well this is possible and in this article I am going to explain how to do this.

So, that's all from me for today.

Take care,

Taggart ;)

Taggart can help you to *reclaim your authentic self*, letting go of any anxiety, low self esteem, excess weight, to emerge again as the person you used to be.

“These sessions have been truly life changing and I find I now have so much more energy to devote to work and creative projects. I can more easily embody the essence of my true self now and after years of struggling with anxiety, I cannot get over just how remarkable this actually is.”
