It's Wednesday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Today's Article "Create a bespoke Reiki symbol for your client"

Hiya,

Create symbols tailor made for your clients

In my last Reiki article, [Create your own bespoke Reiki symbols](#), I described a simple system that you can follow in order to create a Reiki symbol that provides you with an energy perfectly suited to just what you need in this moment.

And we know that using a symbol has the effect of focusing the Reiki energy like a laser beam, narrowing its focus and boosting its power.

So this would be a useful thing to be able to do for clients too, wouldn't it, to give them a treatment that uses an energy ideally suited to just what they need in this moment?

Here is how to do that.

So, that's all from me for today.

Take care,

Taggart ;)

Taggart can help you to *reclaim your authentic self*, letting go of any anxiety, low self esteem, excess weight, to emerge again as the person you used to be.

"These sessions have been truly life changing and I find I now have so much more energy to devote to work and creative projects. I can more easily embody the essence of my true self now and after years of struggling with anxiety, I cannot get over just how remarkable this actually is."
