It's Monday, so that means "Reiki Article Day" Mondays and Wednesdays: take 5 minutes to read a Reiki article

Reiki articles for you to read on Mondays and Wednesdays. Each one will take about 5 minutes or so to read, and hopefully you will find something interesting, informative, helpful or thought-provoking, maybe even challenging.

So without further ado, here's....

Hiya,

In this article I would like to talk about the sort of things that students might feel – or not feel – when receiving attunements or empowerments, when working with energy and when treating or being treated, and the significance of these sensations.

The article is particular addressed to people who have just taken a First Degree course or who are only just starting on their journey with Reiki, though it should be of interest to people at all Reiki levels.

So, that's all from me for today.

Take care,

Taggart ;)

Taggart can help you to *reclaim your authentic self*, letting go of any anxiety, low self esteem, excess weight, to emerge again as the person you used to be.

“These sessions have been truly life changing and I find I now have so much more energy to devote to work and creative projects. I can more easily embody the essence of my true self now and after years of struggling with anxiety, I cannot get over just how remarkable this actually is.”
