Dear Friends,

What a blessed holy season and year we just completed. It was so full, I decided to relate many of the miraculous beginnings of the Ashram in this newsletter. Read all about it and see all the wonderful photos old and new in the January Ashram newsletter. May Mother's and Baba's love and blessings be abundant in your lives. We are so grateful for each one of you being a part of this Ashram. You are one of the reasons it is such a wonderful place. A blessed New Year to all.

In Truth, Simplicity, and Love,

Ramloti
