Dear Friends,

It has been a very busy end of April and beginning of May, which you may have noticed, as I have not had time to write a newsletter yet. I am on my way to Fort Collins and Denver in a couple of minutes for Paduka Pujas so wanted to let you know where and times in case you can join us. I will get a newsletter out when I have a chance. May Mother's and Baba's love and blessings be abundant in your lives. We are so grateful for each one of you being a part of this Ashram. You are one of the reasons it is such a wonderful place. Here is the schedule:

Shri Babaji's Padukas Travel to the Front Range the Weekend of May 11- 13

While Shri Babaji was in physical form, He would travel from His Ashram in the remote foothills of the Himalayas to devotees' homes around India. Likewise, each Springtime for the last seven years, Shri Babaji's silver padukas have traveled from His home here in Crestone to bless the homes of devotees in the Front Range. It has not only been a wonderful opportunity for many people to have Babaji's darshan but also a way to support the Ashram. These gatherings have always been very joyful and inspirational. I know it is late notice but here is the schedule.
