Dear Friends,

We have published a special [Spring Navratri 2020 Newsletter](#) to update you on the cancelling of Navratri both at this Ashram and the one in Haidakhan. It is also to give you lots of information about Navratri so that you can partipate from home. It is a powerful practice and very important in these times.

May Mother's and Baba's love and blessings be abundant in your lives. We are so grateful for each one of you being a part of this Ashram. You are one of the reasons it is such a wonderful place.

In Truth, Simplicity, and Love,

Ramloti
