

Babaji Ashram Live Streams Hanuman's Birthday Fire Ceeremony and Puja

Dear Friends,

As we are still separate physically, we will continue to connect through the internet knowing that our prayers are beyond time and space. Tomorrow we will not only live stream the fire ceremony and puja to Hanuman on Facebook (at Ramloti Wood page) at 10:08am MT but it will also be on YouTube (Ramloti Wood channel) by 12:30pm MT for those that do not use facebook.

Tomorrow is Hanuman's birthday, He who symbolically stands for pure devotion, complete surrender and absence of ego and enthrallment with the lower self. His character tells us what we can do in our lives by becoming pure devotees of God, aligning ourselves with the forces of good, helping the weak, with self control, unconditional faith and total surrender. Hanuman has long been a speical deity of the Babaji Ashram in Haidakhan and this Ashram in Crestone and we sing the Hanuman Chalisa to Him daily. After the fire ceremony we will bathe and dress all of our Hanuman murtis and also sing and recite the Hanuman Chalisa. Please join us as you are able praying to Hanuman that we all become selfess servants of the Lord.

In Truth, Simplicity, and Love, Ramloti

PS. We still have a Gofundme campaign to help the Ashram with its expenses during this time of no visiotors to the Shop or Temple. If you are able to support this, please click [here](#). We deeply appreciate your prayers, love, shares, and support.
